Our products:

Different varieties, different needs

Give your pet professional pampering

• Suitable for all breeds of cats

While deeply cleansing, it also beautifies and cares for the skin, lingers on fragrance, nourishes and softens, and makes hair fluffy and smooth.

• Suitable for all breeds of dogs

While deeply cleansing, it deeply dispels odor and leaves fragrance for a long time, nourishing and making hair plump and shiny

• Suitable for all breeds of dogs and cats

While deeply cleansing, it prevents static electricity, makes some hairs more three-dimensional, and moisturizes for a long time

Long-lasting fragrance
Remove pet odor and interact
more assuredly
