

Household Color Absorbing Sheets To Prevent Cross Dying And Remove Mites Paper Laundry Detergent Sheets

Our Product Introduction

Basic Information

- Place of Origin: CHINA
- Brand Name: nuomi
- Certification: CE
- Model Number: Laundry tablets
- Minimum Order Quantity: 100box
- Price: 1USD
- Packaging Details: carton
- Delivery Time: 7-15days
- Payment Terms: T/T
- Supply Ability: lakh

Product Specification

- Category: Laundry Tablets
- Specification: 50pcs
- Effect: Absorb Color And Protect Color
- Color: White
- Material: Surfactant
- Active Substance Content: 65%-70%
- Fragrance Type: Customizable
- Weight: 15g/pc
- Highlight: household color absorbing sheets, household paper laundry detergent sheets, color absorbing paper laundry detergent sheets

Product Description

Describe:

The material of color-protecting laundry sheets, also known as color-catching sheets or anti-bleeding laundry sheets, is tailored specifically for their intended purpose - to prevent colors from bleeding or fading during the laundry process. Here is a detailed description of the material :

Material Properties:

The absorbent material used in color-protecting laundry sheets naturally releases detergent during the wash cycle while simultaneously adsorbing the dyes that detach from fabrics. This ensures that colors do not bleed into other items in the wash.

The safety of the material is also a crucial consideration. Color-protecting laundry sheets should be made from non-toxic and harmless materials to ensure that they do not damage fabrics or pose a risk to human health.

Usage Recommendation:

When using color-protecting laundry sheets, it is recommended to place them in the washing machine along with the laundry. Depending on the quantity and color intensity of the laundry, you can adjust the number of sheets accordingly. After the wash cycle is complete, it is advisable to remove and discard the laundry sheets. They should not be reused as their adsorption capacity decreases after capturing dyes.

Product name	laundry tablets
Brand	OEM
Specification	30 pcs /50 pcs per box
Function	Low viscosity and instant Dissolve
Material	Glycerin Essence and Active surfactants
Active substance content	80%-85%
Size	7*11cm
Package	30 pcs/ bag
Weight	15g/pc
Suitable	By hand & By machine
