## Product Description

### Product Description

**50g toilet cleaner detergent toilet bowl cleaner tablet disposable blocks for home**

**Toilet Bowl Cleaner / Toilet Cleaner Blocks.** It is a solid containing detergent, fragrance and disinfectant.

**You only need to put it into the water tank of the toilet, and the toilet bowl cleaner will dissolve in the water,**

**and it can clean the toilet every time you flush.**

#### **Usage Method:**

1. Tear off the plastic cover and take out the toilet cleaner
2. Do not tear off the outer protective film and put it directly into the water tank. To extend the use time, please place it under the float of the water tank, away from the water outlet
3. The protective film dissolves immediately when it comes into contact with water, and the toilet cleaner slowly dissolves in the water. For the first use, it needs to be left in the water tank for at least 10 minutes to achieve better use effect
4. When the color of the flushing liquid disappears, please put in a new toilet cleaner in time
