Product Description

product instructions:

Prepare:

Make sure the clothing is dry and avoid using stain remover pens on wet clothing as this may spread the stain. Check that the stain remover pen has enough ink and shake it gently to make sure the ink is evenly distributed. smear:

Gently press the stain remover pen to release the ink.

Starting from the outside of the stain, apply lightly toward the center of the stain, making sure the ink covers the stain evenly.

Repeat application several times until stain is completely gone.

wait:

After applying, wait a moment for the ingredients in the stain remover pen to fully react with the stain.

Do not rush to wipe or wash the clothes, so as not to affect the stain removal effect.

examine:

Check the clothing to make sure the stain has been completely removed.

If there is still stain remaining, you can apply the stain remover again and repeat the above steps.

Subsequent processing:

If the item is machine washable, follow the normal wash cycle.

If the garment needs to be hand washed, use a mild detergent, scrub the stained area gently, and then rinse with clean water.

After washing, just dry the clothes.
