clothing stain remover pen

Product Description

Product Features:

Powerful stain removal ability:

This stain remover pen uses advanced bio-enzyme emulsification technology and a strong penetrating formula, which can penetrate deep into the fabric fibers, destroy the protein structure in the dirt, and make it quickly dissolve in water to achieve rapid stain removal.

Gentle and gentle on clothes:

The pH value of the stain remover pen is 6. The mild formula ensures that it will not damage the fabric fibers and keep the clothes soft and shiny.

Suitable for a variety of fabrics, such as cotton, linen, chiffon, knitting, etc.

Portable and compact:

The design is compact and easy to carry, so it can solve the problem of stains on clothes anytime and anywhere.

Dry quickly and leave no traces:

Clothes dry quickly after cleaning without leaving any traces.

This stain remover pen has become an indispensable must-have in your wardrobe due to its powerful stain removal ability, gentleness and no harm to clothes, portable and compact design, quick drying without leaving traces, and excellent safety performance. Taste. No matter what kind of stubborn stains you face, it can easily deal with it and make your clothes look like new. At the same time, we also focus on environmental protection and sustainable development to ensure that the impact of our products on the environment is minimized. Let this stain remover pen be your right-hand assistant for showing elegance and neatness!
