### Product Description

100% plant-based and biodegradable Soft and unscented Soothing Aloe Vera and Vitamin E Wet Wipes for Adults and Kids

Describe:

100% plant-based, plastic-free and biodegradable: Our wipes are made entirely from renewable, natural fibers that are certified biodegradable in marine and soil conditions - meaning our soil, freshwater and oceans. There are no persistent microplastics. Leave the toilet paper and baby wipes behind while you head to a friendlier bathroom and our water system. EXTRA LARGE SIZE FOR EXTRA CLEAN: These hip wipes are 25% larger than standard size wipes in the store, making them perfect for adults, kids, and babies.

Our Product

Ultra-dispersible and actually flushable: Created using the latest technology in non-woven paper manufacturing, it disperses safely as it travels through water and drainage systems - unlike baby wipes. They are independently tested to exceed GD4 standards for flushability, dispersion and failure of plumbing and sewer systems.

**SOFT, TEAR-RESISTANT & STAY MOISTURIZED:** Natural non-woven paper is extremely soft yet tear-resistant so you can wipe comfortably without leaving toilet paper behind. Our flip-top seal makes removal easy with every wipe while keeping moisture in from the first wipe to the last.

The perfect wipes for adults, kids, babies, and women: Fragrance-free, alcohol-free, and infused with Vitamin E and Aloe Vera to soothe skin and prevent irritation so you can use them as general-purpose personal cleansing wipes. Our pH-balanced formula is women-friendly and won't risk falling off.

Product name	Wet wipes
Function	clean
Material	Non-woven fabrics
Package	80 pcs/ bag
Weight	0.6kg
Suitable	Universal
Applicable capacity	One piece at a time
Type	Family Pack
