Product Description

Description

The surfactants derived from nature are 100% biodegradable, safeguarding the planet's environment and turning every wash into a gentle promise to nature.

Innovative bio-enzyme formulation, integrating the four powerful functions of stain removal, softening, brightening, and antibacterial action, precisely tackles all cleaning challenges of fabrics, rejuvenating them to their natural splendor.

Employing groundbreaking super-concentrated technology, each pod boasts over 60% active ingredients, delivering a cleaning power four times that of conventional laundry powder. Its compact form encapsulates immense cleaning potential.

With precise dosage control and a water-soluble film design, it ensures that every wash is just right, minimizing unnecessary waste while simplifying the usage process, making it an ideal choice for modern households.
