Product Description

Description

Experience the future of laundry care with our premium OEM/ODM 3-in-1 Enzyme Protease Decontamination Pods. These eco-friendly laundry detergent pods stand out from the rest with their unique blend of natural surfactants that are not only highly effective but also easily biodegradable, ensuring zero environmental impact.

Derived from nature, our laundry pods boast a surfactant formula that No worries about degradation, no residual pollution, safeguarding the planet we all cherish. But what truly sets these pods apart is their revolutionary biological enzyme composition. This powerful blend offers a multitude of benefits in one convenient package, including stain removal, fabric softening, color brightening, and bacteria elimination – all in one fell swoop.

What's more, each pod is packed with an astonishingly high active substance content of over 60%, which is nearly four times that of traditional laundry powder and standard detergents. This super-concentrated cleaning power means you get unparalleled cleaning performance with every wash, making your laundry routine more efficient and effective than ever before. Discover the ultimate in laundry care with our Eco-Friendly 5-in-1 Enzyme Protease Decontamination Pods – where nature, innovation, and performance meet.
