Product Description

Description

Data prove our strength: 100% biodegradable surfactants contribute to environmental protection. Our bio-enzyme laundry pods contain four times more active ingredients than regular products, significantly enhancing stain - removal capabilities. The precision dosing design reduces waste. With a balanced pH level, it causes almost zero harm to skin and fabrics. The low-foam design reduces energy consumption, making a practical contribution to the environmental protection cause. Choosing us means choosing a superior laundry solution.
