## Product Description

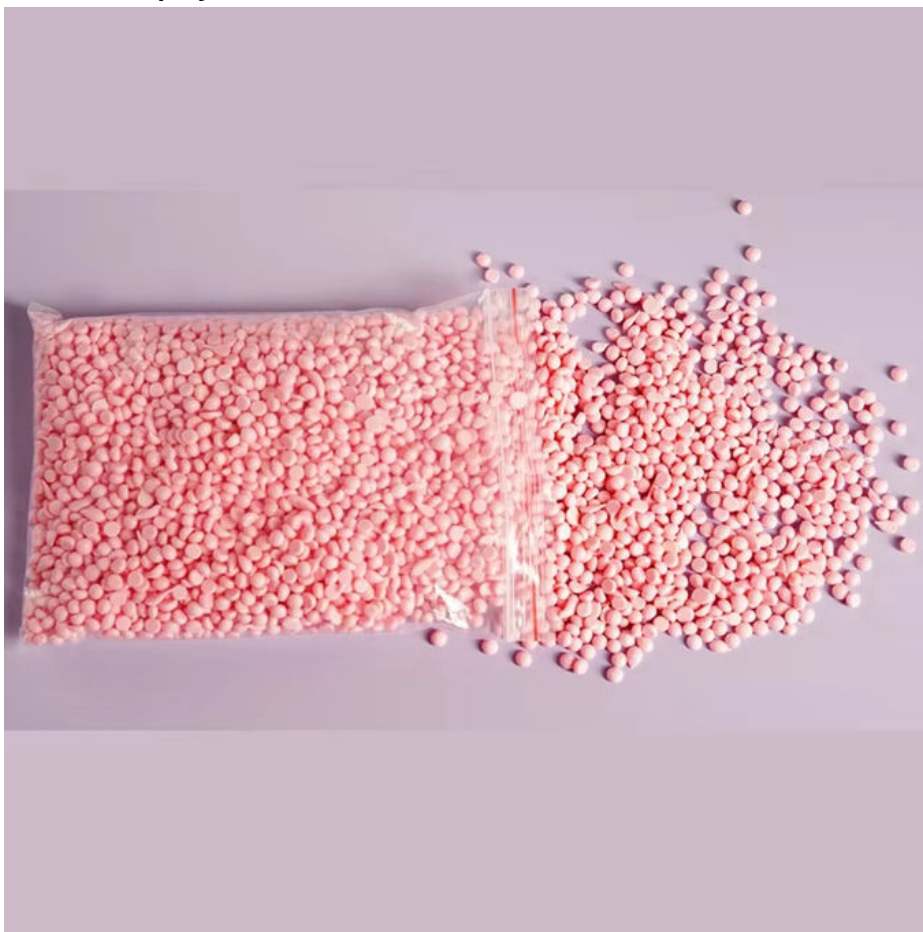

### Description

Are you yearning for your clothes to exude an enchanting aroma for an extended period? Scent Booster beads are precisely what you need. These tiny laundry scent beads function within the washing machine, maintaining a fresh fragrance on your clothes for 12 full weeks. The usage is extremely straightforward. Before starting the laundry, shake an amount of scent beads into the cap according to your personal taste and then drop them into the washer drum. When used together with laundry detergent and fabric softener, the freshness effect becomes even more enduring. Every time you do the laundry, whether it's clothes, bed linens, or bath towels, they will all be imbued with a pleasant and refreshing smell. The 12 - week freshness experience brought by In - Wash Scent Booster makes the ordinary laundry routine extraordinary, with your clothes smelling wonderful even when taken out after storage.
