Product Description

Description

Designed specifically for dishwashers, these tablets boast extraordinary cleaning power. Whether it's thick layers of grease or tenacious limescale, they can be quickly decomposed and removed, leaving the dishwasher's interior spotlessly clean. When using, just put the tablet into the dishwasher's detergent slot and start a regular wash cycle, and you can easily solve the cleaning problem. It not only delivers outstanding cleaning performance but also effectively protects the dishwasher, reducing wear and tear on internal components, preventing blockages and odors. Suitable for various dishwasher brands, it's an indispensable helper for kitchen cleaning.
