Product Description

Description

Introducing our eco - friendly Toilet Cleaning Blocks, the perfect choice for the environmentally conscious consumer. Made from 100% natural ingredients, including plant - based surfactants and essential oils, these blocks offer a gentle yet effective cleaning solution. Free from harsh chemicals, phosphates, and dyes, they are safe for your family, pets, and the planet. Once placed in the tank, they release a mild, lavender - scented formula that not only cleans the toilet but also deodorizes it naturally. With a usage duration of about 30 days per block, it provides a sustainable and long - term cleaning option. Join the green cleaning movement and keep your toilet fresh and clean the natural way!
